

Are you new here?

Thanks for joining us for our church gathering! Here are a few hints to help you through the morning...

We take our coffee seriously. That's why we've got ethically sourced and fairly traded coffee available. Help yourself to it at any time. Our treat.

Coffee & Connection Time is what we call the 10-minute break during our gathering. This gives adults a chance to refill their coffee while kids get to their classrooms. Parents can take their baby (24 months and younger) to the nursery at any time.

Kids at the Ridge is the name of our program for children who are age 2 to grade 5. Find out more by visiting the check-in table at the Welcome Centre.

Want someone to pray with you? We'll have people who can pray with you available at the end of our gathering. You can tell them as much or as little as you'd like. They won't be nosy and they'll keep it to themselves.

"We aspire to be a loving and listening people, extending God's hope and reconciliation to our community in all of life, all of the time"

We'd love for you to fill out a Welcome Card at the Welcome Centre. This will help us respond to any questions you might have. We won't bother you with unwanted phone calls or spam mail. We promise. You might also want to visit our website, jerichoridge.com, become a fan of our Facebook page, or follow us on Twitter, [@jerichoridge](https://twitter.com/jerichoridge). Thanks for joining us! We hope to see you again soon.

Masterchef: JRCC Youth Edition

Do you have what it takes to win Masterchef? From the dreaded pressure test, to making your leader patented recipes to perfection, you'll have to work as a team against the clock for the title of Masterchef! This epic event will take place on Thursday, April 24 from 6:30-9:30 p.m. at Langley Christian School and the cost is \$5. Don't miss out! Register online today so we can plan accordingly. Remember to eat before you come, as this is not a meal based event.

Remember and Celebrate Recap

Last weekend was our Remember and Celebrate Sunday for our elementary classes. We had a blast playing the trivia game "ZONK", we learned about God's righteousness and forgiveness through looking at the "The Day of Atonement" Israelite festival and how Jesus's death is connected to it. Then we practiced celebrating God's presence in our lives by trying to spot and identify where God has been speaking and moving. The kids shared great stories of compassion and forgiveness (how God helped them show it or how they had received it from others). Where have you seen God's compassion and forgiveness at work? Take a moment to think about it and then celebrate with someone as you begin to identify God's presence at work.
