

Are you new here?

Thanks for joining us for our church gathering! Here are a few hints to help you through the morning...

We take our coffee seriously. That's why we've got ethically sourced and fairly traded coffee available. Help yourself to it at any time. Our treat.

Coffee & Connection Time is what we call the 10-minute break during our gathering. We do this so adults can refill their coffee and kids can get to their classrooms. Our nursery is available at any time during the gathering for babies 24 months and younger.

Kids at the Ridge is the name of our program for children who are age 2 to grade 5. Learn about the details at the Kids at the Ridge check-in table.

Want someone to pray with you? We'll have people who can pray with you available at the end of our gathering. You can tell them as much or as little as you'd like. They won't be nosy and they'll keep it to themselves.

"We aspire to be a loving and listening people, extending God's hope and reconciliation to our community in all of life, all of the time"

We'd love for you to fill out a Welcome Card at the Welcome Centre. This will help us respond to any questions you might have. Don't worry, we won't bother you with annoying phone calls or spam mail. Promise.

You might also want to visit our website (jerichoridge.com), become a fan of our facebook page, or follow us on Twitter (@[@jerichoridge](https://twitter.com/jerichoridge)).

Thanks for coming! We hope to see you again soon.

Olynyk Family Dedication

Mike and Kim Olynyk are excited to add little Raelyn to the growing number of babies at JRCC and they're thrilled to have her dedicated this morning. Mike and Kim provide leadership to JRCC's youth ministry and they've been part of our church for the past three years. Some of their favourite activities include board games, cheering on the Canucks, and checking out local movie sets.

Guatemala Bake Sale

Our Guatemala team is hosting a bake sale today to raise funds for their upcoming trip in March. There will be lots of yummy treats available to take home for yourself or for your valentine (if you're into that whole romantic stuff). In addition to the bake sale, you can also deposit pennies and other coins in the bucket at the Welcome Centre as part of our Guatemala penny drive (we raised over \$30 last week!).

MCC Peace Activities

Our teaching series concludes today with another look at the topics of resisting revenge and promoting peace. To keep current on MCC's peace activities, you can receive e-mail notices (5-6 per year) of upcoming events and other opportunities to study, remember, and work for peace. If interested, you can send your name and e-mail address to peace@mccbc.com.

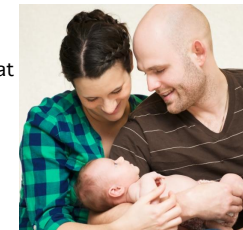

2012 Charitable Tax Receipts

If you didn't pick up your year-end tax receipt last week, you'll find an envelope with your name on it at the Welcome Centre. Thanks to everyone who gave faithfully in 2012!

Pragmatics: Choose Between Two Class Options

On Sunday, Feb 24 we'll be offering two evening class options to help you interact with children and youth. Coffee and refreshments will be available and the cost for each class is \$5 (childcare will be available for \$3 per child for those who register in advance). You can register online or visit the Welcome Centre to receive registration help.

Cultivating Spiritual Curiosity in Your Child

Every kid has questions! So how are we supposed to respond? In this class, you'll learn how to converse with kids when they ask questions that relate to faith and life. You'll find out why giving the "right" answer can sometimes be the wrong method as well as how to kindle your child's natural curiosity. This class will run from 6-7:30 p.m. in Room B.

Social Media and our Kids

Our kids are being brought up in a world of tablets, computers, and handheld devices. Danny Ferguson of Youth Unlimited and Mike Olynyk will be hosting this class that will explore what's out there and how we can raise kids to have healthy social interactions through media and technology. The focus will be on three topics: how to establish healthy communication with your child, how to create and discuss healthy boundaries with your child, and how to use resources to learn more about this topic. This class will run from 6-8 p.m. in Room 220.
