Syrian Refugee Family - Thank You!

Our Syrian refugee family arrived this past week. We are grateful for the point leadership of the four key families who have put in 2.5 years of work to get us to this point and to our partners at Mennonite Central Committee. Also, thanks to all who gave financially or contributed needed items - thanks to your generosity, our Syrian friends are fully funded and their home is fully stocked! Way to go, Jericho & friends!

Online Reviews - Google & FB

One of the main ways people are discovering Jericho these days is online. You can help more people in our city find us by completing a review on either Facebook or Google reviews. These help us appear in searches like "churches near me". Thanks for your assistance, Jericho!
